**University of Vermont Medical Center**  
**University of Vermont College of Medicine**

The UVM Medical Center Sleep Program is a Division of The Department of Neurological Sciences at the UVM Medical Center & UVM College of Medicine. We are seeking to recruit a fellowship-trained, board certified Sleep Medicine Physician to join a multidisciplinary Sleep Program, which serves both adult and pediatric patients, with an 8-bed Sleep Lab and Sleep Fellowship. Primary responsibilities include: Sleep clinic, reading sleep studies and sleep medicine call. Interest in teaching fellows, residents, medical students and sleep technologists is very important. Involves participation in quality improvement initiatives. Interest in development of sleep center satellite would be welcomed. Interest in sleep medicine research is a bonus.

Our goal is to add to the high level of clinical care, clinical research, and education the unit currently provides. We welcome applicants from all specialties that support Sleep Medicine training and Sleep board certification.

***The University of Vermont and University of Vermont Medical Center are Equal Opportunity/Affirmative Action employers. Applications from women, veterans, individuals with disabilities and people from diverse racial, ethnic, and cultural backgrounds are encouraged.***

The University is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their research, teaching, and/or service. Applicants are requested to include in their cover letter information how they will further this goal.

Applications accepted until position filled. Interested individuals should submit curriculum vitae to: Susan Dunning, M.D., Department of Neurological Sciences, University of Vermont, Department of Neurological Sciences, 149 Beaumont Avenue, HSRF 426m Burlington, VT 05401 (e-mail: Susan.Dunning@uvmhealth.org., phone (802)656-4588 or apply online at [www.uvmjobs.com](http://www.uvmjobs.com)).

## Opportunity for Pediatric Sleep Medicine Specialist with Children's Specialty Group, PLLC at Children's Hospital of The King's Daughters

Children's Specialty Group, PLLC (CSG), is seeking a sleep medicine physician to join our growing team of providers. We are a physician owned, pediatric multispecialty practice based at Children's Hospital of The King's Daughters (CHKD)– the only free-standing, full service children's hospital in Virginia. CSG provides high-quality pediatric care to the communities of coastal southeastern Virginia and northeastern North Carolina. Our physicians also serve as the full-time faculty in the Department of Pediatrics at Eastern Virginia Medical School. The ideal candidate should be comfortable with both adult and pediatric sleep medicine. CSG and CHKD are located in the heart of Hampton Roads in Southeastern Virginia. Conveniently situated on the beaches of the Atlantic Ocean and Chesapeake Bay, the region offers countless entertainment options and safe, beautiful cities in which to live.

**Position Specifications, Requirements & Responsibilities:**

- Must be BC/BE in Sleep Medicine with a primary interest in Pediatrics
- Inpatient and Outpatient Care for patients ages newborn through young adulthood
- Opportunity to work with a robust clinical research team
- Teaching medical students and residents

**Benefits include:**

- Competitive compensation, including a partnership track opportunity
- Comprehensive benefits, including a 401k plan, profit sharing, health insurance, and professional liability coverage
- Administrative support of a large multi-specialty practice

**For More Information Please Contact J.D. McCoy, Director, CSG Ambulatory Operations**

**Email: James.McCoy@CHKD.org – Phone: (757) 668-9686**
